

Child care structures supplementary to school and family

Supplementary child care structures are offered to parents who live in the municipality of Davos and its surroundings and who are looking for an external child care for social, economic or pedagogic reasons. The following structures are open for children from the age of eight weeks until their entrance into Kindergarten. Rates are depending on income and wealth of the legal guardian.

School and further education

Public school

For children living in Switzerland, school is mandatory for 9 years. Usually, children are attending school from the age of 7 until the age of 16. Before school entrance, they are attending Kindergarten for two years. School and Kindergarten are public and therefore free of charge. Parents or legal guardians must enrol children between the age of 5 and 16 years at the School Office immediately after registration at the Residents' Registration Office.
